Personality Overview

Quality Focused

Hard To Convince

Fast But Analytical

They have a unique set of diverse traits where they are decisive and methodical but can sometimes be extra cautious and skeptical. They focus on the results, but can still be quite procedural and analytical about how to get there. They are not very likely to become strong advocates of your product or service.

Insights For Selling To Ankit

👉 During A Call Or A Meeting

DO's

- Use phrases like 'the ROI of this', 'X% more' etc.
- Help them weigh the risks by sharing objective proof points instead of anecdotes and examples
- Keep a professional, business-like approach; especially if you tend to get informal quickly

DONT's

- Avoid inviting them for any social interactions until you have built some rapport with them
- Don't focus on relationship, focus purely on the merit of your product
- Avoid making strong statements, instead invite them to agree with you by asking them questions

👉 When Cold Calling

Insights

Pattern Interrupt: Confident style, with a mix of informality and formality gets their attention.

Pace: Speak slightly fast. Sound like a 'gets shit done' person.

Tone: Do not sound too eager, as if you have met a friend suddenly after a long time. Keep the tone calm but confident.

Tactics To Win: Strong words, focus on results, respectful confidence

Mistakes To Avoid: Apologizing, nervousness, information overload, social proof

Making The Ask: Confidently, ask for 10-15 minutes. Allude to the results and outcomes that are possible. They care about the ends more than the means.

Subconscious Driver: Results and outcomes are what matter to them. Any credible shot at getting results will appeal to them quickly.

Script

Greeting: Ankit, this is [user_fname] at [user_companynamewordstwowords].

Opener: In 30 seconds if I could share how 100% of your sellers could kick ass this year, can I go for it?

Introduction: We have built an AI that predicts exactly what would matter to your buyer before you even meet them.

Ask: Can I put 15 minutes on your calendar to show you how this changes outcomes for you?

Close: [time1] on [date1] sounds good? Or would you prefer [time2] on [date2]? And [prospect_email] works well?

👉 When Writing An Email

Subject: To the point, formal

Example: Personalized sales funnel', 'Sales conversion' etc.

Salutation: No

Example: Skip 'Hi', 'Hey' etc., use only the first name

Greeting: No

Example: Skip lines like 'I hope you are doing well'

Emojis/GIFs:

Bullet Points: Could use

Closing Line: Formally state your ask

Example: Something like 'If you are available tomorrow, shall we discuss this?'

Complimentary Close: None or standard

Example: Something simple like 'Thanks', 'Regards', or nothing at all.

Tone of Words: Confident with a formal touch

Overall Messaging: Focused on output

Length of Mail: Short

Example: Maximum upto 100-120 words
