

## CARYS GARDNER

**UW Partner at Utility Warehouse**  
Sidmouth, England, United Kingdom

### Overview

Carys Gardner is a marketing consultant and UW Partner focused on helping people save on bills and build flexible incomes. Her background includes roles as a Digital Marketing Specialist and various customer-centric positions at Apple. She studied Music Performance at Exeter College, blending creative skills with business expertise.

### Topics They Care About

#### Household Savings

Her current role at Utility Warehouse is centered on helping people save money on their everyday utility bills.

#### Flexible Incomes

She actively promotes the opportunity for others to build a flexible income stream as a UW Partner.

#### Digital Marketing

Previously worked as a self-employed Digital Marketing Specialist, indicating a strong background in this area.

#### Customer Experience

[Predicted] Her past roles as a Business Expert and Expert at Apple suggest a focus on high-quality customer interaction and service.

#### Music Performance

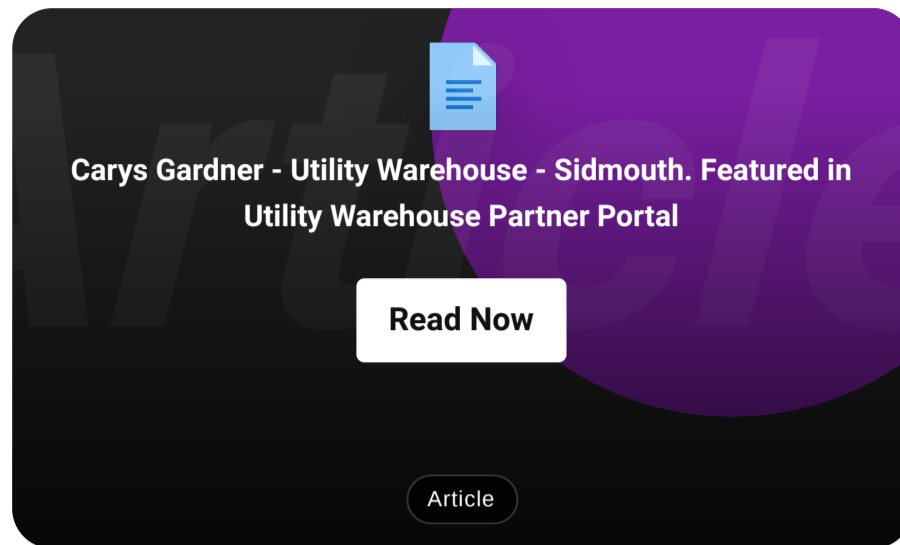

She studied Music Performance at Exeter College, showing a personal interest and background in the creative arts.

#### Exeter Community

[Predicted] Her work is focused on the Exeter area, and she has shared content related to local businesses.
