

GREG D.

Senior Security Analyst / Network Operations Analyst at Government of British Columbia

Mill Bay, British Columbia, Canada

Overview

Greg is a Senior Security Analyst and Network Operations Analyst for the Government of British Columbia, with a strong background in network architecture from his time at GMP Securities. He is a Certified Information Systems Security Professional (CISSP) and holds a Bachelor of Arts from the University of Manitoba.

He holds two significant security certifications: the Certified Information Systems Security Professional (CISSP) and the Microsoft Certified Systems Engineer (MCSE).

Topics They Care About

Network Security

His career progression from Network Engineer to Senior Security Analyst, along with his CISSP certification, indicates a deep expertise in this field.

Information Security

Holding both CISSP and MCSE: Security certifications underscores a long-standing commitment to information systems security and best practices.

Public Sector IT

His current role with the Government of British Columbia and stated interest in the BC Public Service suggest a focus on public sector technology challenges.

Network Architecture

Previously served as a Senior Network Architect at GMP Securities, demonstrating experience in high-level network design and strategy.

Manitoba Bisons

[Predicted] As an alumnus of the University of Manitoba, he may follow the school's varsity sports teams.

Vancouver Whitecaps

[Predicted] Based on his current location in British Columbia, he may have an interest in the local MLS soccer team.

Media Appearances

Greg has no verified media appearances
