Insights For Selling To MARIO JERONIMO

👉 During A Call Or A Meeting

DO's

- If you have a lower priced product compared to the competition, call out the same
- Emphasize on objective proof of ROI, help them do a thorough evaluation
- Share as much information as possible regarding your product

DONT's

- Don't overhype the product/pitch, keep it measured
- Don't try to be too friendly or informal with them
- Avoid phrases like 'do not worry about', 'no one compares to' etc.

👉 When Cold Calling

Insights

Pattern Interrupt: Speaking in a slightly hesitant manner, and seeking their permission at the start through a negation can get you a chance.

Pace: Speak slightly fast, especially if you tend to be calm and confident. Sound like a 'knows their domain' person.

Tone: Keep your tone slightly apprehensive, as if you are a little unsure about calling them.

Tactics To Win: Use of negations, giving full information

Mistakes To Avoid: Use of superlatives, overusing social proof

Making The Ask: Use negations, it is extra effective with them. It gives them a chance to say no, they like doing that.

Subconscious Driver: They believe they know a lot, so it needs to make sense as well as make them curious. They need to think that it is something worth investigation.

Script

Greeting: Hi MARIO JERONIMO, this is [user_fname] at [user_companynameword1][user_companynameword2].

Opener: You probably don't want to be on this cold call, would it be a problem if I asked for 30 seconds of your time?

Introduction: My company has leveraged 30+ years of research to build an AI that can predict anyone's personality, behavior and decision-making style before you even spend a minute with them.

Ask: Companies like [abc], [xyz] have been able to move [KPI1] by X% and [KPI2] by Y%. Would it be too much to put 15 minutes on your calendar to share why this could be high ROI for you?

Close: Can I suggest [time1] on [date1]? Or would you prefer any other slots? And [prospect_email] would be the right email ID for you?

👉 When Writing An Email

Subject: Objective

Example: Getting personalization right, '40% increase' etc.

Salutation: Yes (Something usual)

Example: Use 'Hi' or only the first name

Greeting: No

Example: Skip lines like 'I hope you are doing well'

Emojis/GIFs:

Bullet Points: Recommended

Closing Line: Logically summarize/ask

Example: Something like 'If these points make sense, shall we speak tomorrow?'

Complimentary Close: None or formal

Example: Something simple like 'Thanks', or nothing at all.

Tone of Words: Objective, informational

Overall Messaging: Focused on allaying doubts and ROI

Length of Mail: Short

Example: Ideally upto 100-120 words
