

MIKE SOCCIO

Owner at LR Automation & Integration Services Inc.
St Catharines, Ontario, Canada

Overview

As the Owner of LR Automation & Integration Services Inc. , Mike Soccio leverages his background as an Industrial Electrician from Mohawk College. He leads his company in providing automation solutions, including control system design and robotic integration for various industries.

Based on his interests, Mike appears to follow developments within major industrial sectors, specifically in the automotive and energy industries with companies like General Motors and Shell.

Topics They Care About

Industrial Automation

As the owner of an automation and integration firm, he provides solutions across the automotive, food & beverage, and pharmaceutical industries.

Control System Design

His background as an Industrial Electrician from Mohawk College provides a technical foundation for his company's core services.

Automotive Industry

[Predicted] His company provides services to the automotive sector, and he has a stated interest in General Motors.

Energy Sector

[Predicted] His professional interests likely extend to the energy industry, given his noted interest in a major company like Shell.

Robotic Integration

His company specializes in integrating robotic systems for applications such as part transfer and material handling.

Media Appearances

Mike has no verified media appearances
