### Insights

**Pattern Interrupt:** Informal style, where you are talking in a friendly & casual manner, with a big smile on makes them want to speak to you.

**Pace:** Don't be too fast or too slow, stay in the middle. Sound like a 'brings happiness to others' person.

**Tone:** Speak with high energy and in a personal manner, as if you have met a friend suddenly after a long time.

**Tactics To Win:** Giving social proof, personal rapport, usage of superlatives, repeating their name.
