

RAY GOMEZ

President at Phillips+Gomez, Inc.

Tulsa, Oklahoma, United States

Overview

Ray Gomez is the President of Phillips+Gomez, Inc. , a mechanical, electrical, and plumbing engineering design firm. He has been with the company for over two decades, previously serving as a Project Manager. He holds a Bachelor of Science from Kansas State University and is a licensed Professional Engineer.

Ray is a member of the Salesmanship Club of Dallas, a nonprofit organization dedicated to transforming childrens futures by serving at-risk families. This involvement reflects a commitment to community service and youth development outside of his professional engineering career.

He is a past president of the Consulting Engineers Council of Dallas, showcasing his leadership within the local engineering community.

Topics They Care About

MEP Engineering

As President of a mechanical, electrical, and plumbing (MEP) engineering design firm, this is his core area of professional expertise and leadership.

Youth Development

His active membership in the Salesmanship Club of Dallas demonstrates a personal commitment to serving at-risk children and families in his community.

Engineering Leadership

His past presidency of the Consulting Engineers Council of Dallas highlights his dedication to advancing the profession and mentoring others in the field.

Kansas State Wildcats

[Predicted] As an alumnus of Kansas State University, he likely follows their collegiate sports teams.

Dallas Sports

[Predicted] Based on his professional location in Dallas, he likely has an affinity for local teams like the Cowboys (NFL) or Mavericks (NBA).

Media Appearances

Ray has no verified media appearances
