

SIMON MILLS

Head of HSEQ at AUSPAN GROUP

Greater Perth Area, Australia

Overview

Simon Mills is the Head of HSEQ at AUSPAN GROUP, bringing 20 years of dedicated health and safety experience from across Australia's construction industry. He focuses on the technical and operational aspects of HSEQ, utilizing technology and innovative thinking to improve business processes and safety outcomes.

Outside of his primary role, Simon is deeply committed to his community and industry colleagues, serving as a Director for MATES in Construction. His personal interests include spending time with his family, football, and travel, reflecting a well-rounded and engaged individual.

He is passionate about worker welfare, holding a board position at a charity focused on suicide prevention in the construction industry.

Topics They Care About

Construction Safety

With a 20-year career in the construction industry, he is passionate about delivering the best possible safety outcomes on projects.

HSEQ Technology

Committed to the continuous improvement of HSEQ systems by using technology and innovative thinking to streamline business processes.

Worker Wellbeing

Serves as a Director for MATES in Construction, a charity dedicated to mental health and suicide prevention within the industry.

Football

Lists football as one of his primary hobbies and personal interests outside of his professional life.

Travel

His public profile indicates that travel is a key personal interest and hobby.

Steel Frame Buildings

[Predicted] As Head of HSEQ for AUSPAN, a leader in steel frame structures, he likely has a deep interest in the safety and quality standards of this specific construction niche.
