

SINDHU .

Senior Executive- HR at HCLTech

Bengaluru, Karnataka, India

Overview

Sindhu. is a Senior HR Executive at HCLTech with a Master of Business Administration. She specializes in talent acquisition for the VLSI domain and other technical roles, focusing on recruiting recent engineering and law graduates for positions in Bangalore, Chennai, and Noida.

Her recruitment efforts are concentrated on sourcing candidates with highly specialized skills within the semiconductor and technology sectors.

Topics They Care About

VLSI Talent

Her professional headline explicitly states she is hiring for VLSI domain skills, including Analog Design, layout, PDK, PD, DFT, and DV.

Graduate Recruiting

Her recent hiring posts consistently target recent graduates from 2023 and 2024 for various engineering and legal compliance roles at HCLTech.

Technical Hiring

She actively sources candidates for specialized technical positions such as Quality Automation Engineers (Python/Java, Selenium) and Mechanical Design Engineers (Creo/Solidworks).

Semiconductor Industry

[Predicted] Her focus on VLSI and related skills indicates a strong professional interest in the talent and trends within the semiconductor industry.

Human Resources

[Predicted] As a Senior HR Executive with an MBA, she is likely focused on broader talent management strategies, recruitment pipelines, and corporate HR initiatives.
