

STUART MAYER

CFO, Fund Accounting at Insight Partners
New York, New York, United States

Overview

Stuart Mayer is the Managing Director & CFO of Fund Accounting at Insight Partners, where he has been since 2007. A Certified Public Accountant, his career began at Ernst & Young, followed by a role as Controller at Sandler Capital Management. He is a graduate of the Binghamton University School of Management.

Stuart has a strong connection to his alma mater, Binghamton University, where he met his wife, Stacy. During his time as a student, he was highly involved in campus life and demonstrated early leadership abilities in student organizations.

Unique fact: Stuart served as the President of the Chabad House during his time at Binghamton University.

Topics They Care About

Private Equity Finance

His entire career has been focused on the financial side of private equity and venture capital, from auditing funds at Ernst & Young to his current CFO role.

Fund Accounting

As the CFO of Fund Accounting, he is a subject matter expert in the financial management and operations of investment funds.

Financial Technology

Was a key decision-maker in a multi-year process to select and implement new, sophisticated portfolio management software for Insight Partners.

Alumni Engagement

He and his wife were honored at a gala for their continued connection to a Binghamton University student organization, demonstrating a commitment to their alma mater.

Jewish Community

Served as President of the Chabad House at Binghamton University and has been a long-term supporter of the organization's mission.

Binghamton Bearcats

[Predicted] Based on his strong alumni connection and leadership roles at Binghamton University, he likely follows the school's athletic teams.

New York Giants

[Predicted] As he has lived and worked in the New York area throughout his career, he may have an affinity for local professional sports teams.
