

# TIMOTHY CARROLL

**Vice President of Information Technology at The Widewaters Group**  
Syracuse, New York, United States

## Overview

Timothy Carroll is the Vice President of Information Technology at The Widewaters Group, a real estate organization. He leverages over 25 years of IT experience, including a previous role as CIO at VNA Homecare, to lead technology strategy and systems management. He has a background from Syracuse University and SUNY Oswego.

He spearheaded a major digital transformation at Widewaters by replacing multiple legacy systems with a single, centralized content management platform, boosting employee productivity by over 350%.

## Topics They Care About

### Content Management

Led the successful implementation of OpenText Extended ECM to centralize document management and streamline workflows in support of nationwide business expansion.

### Digital Transformation

Passionate about replacing legacy systems and paper-based processes with integrated digital platforms to drive significant efficiency gains and reduce operational costs.

### Healthcare IT

Possesses a robust background in healthcare information technology from his long tenure as CIO and Director of Information Systems for VNA Homecare.

### IT Leadership

His career shows a clear progression from Director to CIO and VP, demonstrating extensive experience in strategic planning, project management, and leading technology departments.

### Syracuse Orange

[Predicted] Based on his education at Syracuse University and his professional career in the Syracuse area, he likely follows Syracuse Orange athletics.
