Insights For Selling To Yuliia

During A Call Or A Meeting

DO's

- Use phrases like 'the ROI of this', 'X% more' etc.
- Showcase how you can impact results but also make sure that you share detailed information too
- Help them weigh the risks by sharing objective proof points instead of anecdotes and examples

DONT's

- Avoid inviting them for any social interactions until you have built some rapport with them
- Avoid self-deprecating references or general informality, it could decrease their trust in you
- Avoid making strong statements, instead invite them to agree with you by asking them questions

While Negotiating & Closing

The secret to closing fast with Yuliia is

- *ROI matters the most to them, followed by process and finally proof of results*

Will you ever get a clear answer from Yuliia

- *They might hesitate a little, but will go ahead and say no when necessary (or asked)*

👉 When Cold Calling

Insights

Pattern Interrupt: Confident style, with a mix of informality and formality gets their attention.

Pace: Speak slightly fast. Sound like a 'gets shit done' person.

Tone: Do not sound too eager, as if you have met a friend suddenly after a long time. Keep the tone calm but confident.

Tactics To Win: Strong words, focus on results, respectful confidence

Mistakes To Avoid: Apologizing, nervousness, information overload, social proof

Making The Ask: Confidently, ask for 10-15 minutes. Allude to the results and outcomes that are possible. They care about the ends more than the means.

Subconscious Driver: Results and outcomes are what matter to them. Any credible shot at getting results will appeal to them quickly.

Script

Greeting: Yuliia, this is yuliia at Akkodis.

Opener: In 30 seconds if I could share how 100% of your sellers could kick ass this year, can I go for it?

Introduction: We have built an AI that predicts exactly what would matter to your buyer before you even meet them.

Ask: Can I put 15 minutes on your calendar to show you how this changes outcomes for you?

Close: [time1] on [date1] sounds good? Or would you prefer [time2] on [date2]? And [prospect_email] works well?
